Wednesday, October 9, 2013

6 PM Room 132 Fluor Building

**Getting and Education Through ASHRAE : What skills will you need as an engineer that you won't learn in class? What job opportunities are available for you as a mechanical engineering graduate? Join us and find out!!!**

**JAMES CHRISTOPHER EDMONDSON**

**CEO**

**James M. Pleasants Company, Inc.**

**Greensboro, NC**

Chris Edmondson received his B.S. Degree in Mechanical Engineering from North Carolina State University in 1967. During his summers, he worked at Barber Coleman and Jay Johnson Controls. After graduation, he spent four and a half years as a salesman with the Trane Company. In 1971, he came to work for the James M. Pleasants Co., Inc. (Manufacturer's Representative for the ITT Fluid Handling Division) He worked as an Outside Salesman until 1978, when he was promoted to Vice President and Sales Manager till 1987. From 1987 to 2010, he has served as President of the Pleasants Company. Chris is currently CEO of James M. Pleasants Company.

***Food will be served!***
